

Online Registration and Club Payment Facility

We have recently introduced a facility, provided by 'Easy Payments Plus', to allow you to register your membership details and pay your club membership online with your debit or credit card. This means that you can now pay your membership conveniently and securely. You can also choose an instalment option and spread the cost for some of the items. To comply with the new GDPR requirements, it is recommended that we maintain an on-line register of all our members.

The Online Registration and Club Payment Facility can be accessed via the membership tab on the Commercial Rowing Club Website - <http://www.commercialrc.ie/membership/>

Log on to www.commercialrc.ie, Select 'Membership'

******We would encourage all club members to use this facility******

What do you need to do:

1. **Logon**, create an account and **register your Membership details**
2. **Pay your club membership fees** for the coming year (2018/2019), due 1st Oct
3. Discontinue any existing Standing Order/Direct Debit you have in place with your bank to pay your club fees.

Note: Parents/Guardians are required to register membership details on behalf of Junior Members. **Parents/Guardians** are required to create an account and register their own contact details first, before adding Junior Members and paying their club membership fees

Membership fees for 2018/2019 are due by 1st October 2018

If you have any queries, please contact the club treasurer - treasurer@commercialrc.ie.
